Discovering the city

Since 2001, Efrei Group's campus has been located in Villejuif, in the South of Paris and can be easily accessed via subway or bus. It is ideally situated in the residential area of Villejuif town center, and there are many shops, restaurants and other services (post office, banks, bus station, etc.) close by.

Discovering the Campus

Students can enjoy a wide range of facilities which include a university restaurant, 7 lecture halls, 17 laboratories, and many classrooms and rooms dedicated to student clubs and associations.

Students can also take advantage of the leafy campus where events are regularly organized by clubs and organizations. School Brochure: <http://www.efrei.fr/en/school-brochure/>

Academic Calendar

- Fall Semester: Late August/September through January (depending on the program)
- Spring Semester: January - April/May (depending on the program)
- Holidays: 2 weeks for Christmas and New Year
Others in February & April depending on the program
